

September 20th
is
“Take a Loved
One for a
Checkup Day”

Come join Pinellas County Health Department & other community partners on this day in “Closing the Health Gap” campaign to encourage individuals to take charge of their health by:

- ◇ Visiting a health professional (doctor, nurse, dentist, nurse practitioner, physician assistant or other health provider),
- ◇ Making an appointment for a visit, attending a health event in the community or
- ◇ Helping a friend, neighbor or family member do the same.

For more information about health services on this day throughout Pinellas County, please contact, Pinellas County Health Department, Office of Minority Health, GrOWing Older Well (GrOW) Hotline at (727) 824-6999.
