During your pregnancy, ask your prenatal care provider if he or she will provide the above services through this special funding program at their office. Florida Kid Care

Florida KidCare is for children, not adults. To qualify for premium assistance, a child must:

- Be under age 19
- Meet income eligibility requirements

Cost:

- There is no charge for Medicaid for children (KidCare Medicaid).
- For other Florida KidCare programs, monthly premiums depend on your household's size and income. Most families pay \$15 or \$20 a month. If you need to pay more, Florida KidCare will let you know.
- Make checks or money orders payable to Florida KidCare. Do not send cash. If your child (children) is approved for Medicaid or denied coverage, your premium payment will be refunded.
- You may have to pay small charges or co-payments for some services.
- A child who is a member of a federally recognized **American Indian, Alaskan Native or Canadian Indian** tribe may qualify for no-cost Florida KidCare coverage.

There are several ways to apply for Florida KidCare:

- If you applied for Florida KidCare before, call 1-888-540-5437 to update you information by telephone or
- Apply online www.floridakidcare.org

Families who are not eligible for premium assistance may buy Florida Kid Care at the “full pay” premium rate. Call 1-888-540-5437 for more information.
